**The Return Of COOL**

Not *THAT* Kind of Cool!

*THIS* kind...

Years Ago Men Had An Inexpensive Menthol Mug Shaving Soap. And Then... It was Gone!

*But Look HERE ➡*

**What We Have Now!**

**MOJO BROS.**  
**Menthol Soap**

After the 2022 demise of Williams Shaving Soap we were left without an affordable, *basic* shaving soap - all we had were \$18 monstrosities filled with girlish scented oils & frilly things like cocoa butter or CLAY that produces an artificial foam. So we decided to make our own! **Mojo Bros. Soaps** cost \$4.99 and they are made of *JUST SOAP*. **NOW WE MAKE A MENTHOL SOAP** Just \$4.99 AND you can pay less if you submit an offer at eBay!
