ABOUT TALKING BOARDS

Talking Boards Are More
Commonly Referred To As
Ouija® Boards. Over Many
Years, The Legal Rights To
Ouija® Boards Have Passed
Among Several Companies.
“Ouija®” Is A Trade-Marked
Brand Name, But As With
Other Trade-Marks Such As
Kleenex, Xerox, Band-Aid,
And Even Linoleum And
Dumpster And Bubble Wrap
(Did You Know Those Last
Three Were Brand Names?),
The Word Ouija® Has Passed
Into The Language To Now
Mean All Manner Of Talking
Or Spirit Boards.

Today, The Ouija® Board Is
Manufactured And Sold By
Toy Giant Hasbro. They Do
Not Sell A “Classic” Style
Of Ouija® Board, But As
Owners Of The Trade-Mark,
They Have Licensed The Old
Design To The Game Making
Company Winning Moves, So
They Still Make The “Classic”
Board And... They Make It
Out Of Wood!
