

Mojo Bros. Soaps

For a rich, fluffy, and easy to whip up lather, at a popular price, we suggest our Mojo Bros. Shaving soap. In your mug, bowl, or loaded into your brush right from the tin, Mojo Bros gives an impeccable shave! **PLAIN OR MENTHOL - and... SANDALWOOD.**

And with MOJO BROS SOAPS you need far less water to whip up the lather, so our soaps really last!

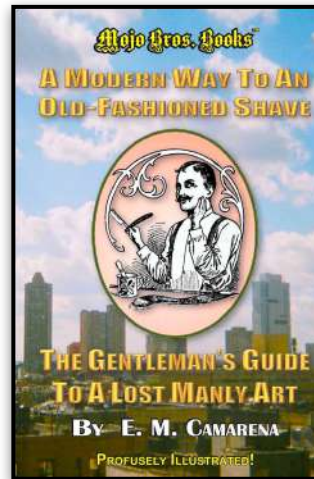

Attention woman: Mojo Bros. Soap is the PERFECT soap for keeping your legs silky-smooth after you shave them. And it makes A GREAT GIFT for the man – OR MEN! – in your life:

“My husband traded his electric shaver for the traditional straight razor shave and now every shave with MOJO BROS. SOAP leaves his cheeks soft like velvet! How I LOVE it! And on top of it all, shaving relaxes him! It’s no longer just a chore, so now he shaves before coming to bed at night. Yummy!!!”

Benefits of Sandalwood

Sandalwood is a class of woods from trees in the genus *Santalum*. The woods are heavy, yellow, and fine-grained, and unlike most other aromatic woods, can retain a fragrance for decades.

Key Benefits:

- **Luxurious Lather: Sandalwood Shaving Cream ensures effortless razor glide, fewer nicks, & maximum comfort.**
- **Soothes & Protects: Sandalwood calms irritation while giving your skin a lasting hydration effect.**
- **Sandalwood can cleanse the skin and soothe irritation owing to its antibacterial/anti-inflammatory properties**

A New Soap!

Mojo Bros. Sandalwood Soap

Many people have asked us about making a sandalwood shaving soap. So, here we are with our new SANDALWOOD SHAVING SOAP! The soap is made with natural essential Sandalwood oil and lightly scented. It is soothing to the skin with a masculine scent perfect for the old-fashioned shave so many of us enjoy. Handcrafted in Hell's Kitchen, NYC, as all our soaps are, and made in small batches so we can keep quality high and prices low.
